

## Product Instructions

# STAIN REMOVER

---

### Remove the toughest stains with ease

The  stain remover is great for removing tough stains from all kinds of fabrics.

Powerful, yet gentle, it tackles stains like coffee, grass, ketchup and grease with ease. Use it on your collars and cuffs to bring them back to life.

*Tip: Try it on carpets too, you'll be amazed!*

### Directions for use:

- Squeeze paste onto fabric, covering the stain.
- Rub the paste into the stain.
- Leave for 10 minutes, then wash garment.

*Please always test on an inconspicuous part of the fabric first*
